EXTERNAL EMAIL

Friday, 08-Aug-2025

Dear Soumya Maity:

On behalf of the American Society of Nephrology (ASN) and the Kidney Week Education Committee, thank you for submitting an abstract for ASN Kidney Week 2025 in Houston, TX. We are pleased to inform you that your abstract **4351515 "Spatial Metabolomics Reveal Distinct Metabolic Signatures in Atrophic Tubules of Diabetic Kidney Disease"** has been selected by the Committee for poster presentation, with the following details:

Poster Session

Session Title: Diabetic Kidney Disease: Basic and Translational Science Advances - 1 [PO0701-1]

Session Date, Time: November 7, 2025 from 10:00 AM to 12:00 PM

Your Poster Board #: FR-PO0329

Please note that any information **beyond what is contained in the four corners of the abstract** may not be released until ASN lifts the embargo. [Click here](#) for the full embargo policy.

ASN may have made minor copyediting text changes to your abstract title. *If the intent of your original title has been lost after copyediting, please reply to this email by **Friday, August 15**.*

Presentation Guidelines

As the presenting (first) author, you have the primary responsibility for communications with ASN, you will be the first author listed in the abstract publication, and your abstract's ePoster credentials will be associated with your name and contact information.

Oral abstracts and posters must be presented in-person in Houston, TX. The presenting author or an abstract co-author must remain at the poster throughout the designated "Poster Presentation" period (10:00 a.m. – 12:00 noon) on your assigned presentation date. Many members have noted, and the Committee agrees, that the quality of the poster session is reduced when authors are not available to discuss their work. **If neither you nor a co-author can present in-person, please email kidneyweek@asn-online.org by August 22 to discuss next steps.**

Your poster board area will be approximately 4 feet high (1.219m vertical) by 8 feet wide (2.438m horizontal). Please reference the [poster instructions](#) to prepare your poster. Poster presenters will have access to the Exhibit Hall during the poster setup/dismantling times. On your assigned presentation date, please plan to (a) set up your poster on your assigned board between 7:30–9:15 a.m., (b) display your poster all day between 9:30 a.m. – 2:30 p.m., and (c) dismantle your poster between 2:30–4:00 p.m. **ASN cannot be responsible for posters that are not removed by the specified poster dismantling times.**

In addition to a printed poster, presenters are strongly encouraged to prepare an ePoster. Please reference the [ePoster Guidelines](#) to prepare your ePoster. The presenting author will receive a separate email from ASN's ePoster partner in September with instructions for uploading your ePoster. ePosters will be available for participants to view at their convenience beginning at 10:00 a.m. CST on each poster's scheduled presentation date. Kidney Week participants will be able to email the presenting author via the ePoster site to ask questions and for you to respond.

Poster Printing Service

ASN provides a poster printing service to all poster presenters. This optional service is easy and convenient, allowing your poster to be delivered directly to Houston, TX to pick up at the Exhibit Hall on the morning of your presentation. The presenting author will receive a separate email with instructions for accessing this service in September.

Program and Abstracts

The Kidney Week program is available on the [ASN website](#). Abstracts will be available on the ASN and JASN websites by October 17, 2025. Your poster board number will correspond with the number published on the ASN and JASN websites.

Registration and Housing

Presenting authors of abstracts accepted for oral or poster presentations must register for the Annual Meeting (fees apply) and make their own [housing](#) and travel arrangements. Please note that the [early/discounted registration](#) deadline is September 10, 2025.

Congratulations on having your abstract selected for poster presentation. We appreciate your willingness to participate and look forward to seeing you in Houston, TX. Please direct any questions to ASN at kidneyweek@asn-online.org.

Sincerely,
ASN Kidney Week
