

# HEPATITIS & HIV/HEPATITIS COINFECTION ECHO

## WHAT IS ECHO?

ECHO® (Extension for Community Healthcare Outcomes) uses videoconferencing to connect healthcare workers to a multi-disciplinary team of experts to share knowledge, build capacity for delivering best-practice care and create a virtual community of practice and learning.

## HIV & VIRAL HEPATITIS

HIV, hepatitis B (HBV) and hepatitis C (HCV) share similar routes of transmission. Of those with HIV, approximately 6-14% also have HBV infection and 25% have HCV infection. The consequences of coinfection include quicker progression of liver disease, liver cirrhosis, end-stage liver disease and hepatocellular carcinoma. Join these sessions to learn evidence-based strategies for fighting this syndemic, connect with health professionals, and become part of the solution.

## WHY JOIN?

- Free, monthly sessions to learn about viral hepatitis and HIV/hepatitis coinfection management and treatment
- Networking and ongoing learning

**SESSIONS ARE ON THIRD WEDNESDAYS (12-1 PM CT) OF EACH MONTH**

**REGISTER AT: <https://wp.uthscsa.edu/echo/hepatitis-and-hiv-hepatitis-coinfection-echo/>**

**LEARN MORE AT: [UTHSCSA.EDU/ECHO](http://UTHSCSA.EDU/ECHO)**

## MEET OUR EXPERTS

**Ruth Serrano, MD**  
Assoc. Professor,  
Infectious Diseases  
Medical Director FFACTS Clinic  
UT Health San Antonio

**Margaret Adjei, PharmD**  
Community Pharmacist  
Astoria Pharmacy

**Victor Ankoma-Sey, MD, FACP, AASLD**  
Dir. of Liver Transplant Program  
Houston Methodist Hospital

**Raudel Bobadilla, MPH, CHW-I**  
Program Manager  
UT Health San Antonio

**Adelita Cantu, PhD, RN, FAAN**  
Asst. Professor  
Nursing Science  
UT Health San Antonio

**Divya Chandramohan, MD**  
Asst. Professor,  
Infectious Diseases  
UT Health San Antonio

**DeWayne Davidson, PharmD**  
Ambulatory Care Clinical Pharmacy Specialist  
Clinical Assistant Professor  
UT Health San Antonio

**Stevan Gonzalez, MD, MS**  
Dir. of Liver Transplantation  
Baylor Scott & White All Saints Medical Center

**Raquel Romero, MD, MPH, CHW-I**  
Clinical Information Analyst  
UT Health San Antonio

**REGISTER: <https://wp.uthscsa.edu/echo/hepatitis-and-hiv-hepatitis-coinfection-echo/>**

## STEPS FOR CONTINUING EDUCATION:

1

ATTEND THE LIVE ECHO SESSION

2

COMPLETE THE POST-SESSION SURVEY (SHARED THROUGH THE ZOOM CHAT DURING THE SESSION)

3

RECEIVE FREE CONTINUING EDUCATION CREDITS TO SUPPORT YOUR PROFESSIONAL GROWTH!

In support of improving patient care, this activity has been planned and implemented by University of Texas Health Science Center at San Antonio and Project ECHO. Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### AMA Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ACPE Designation Statement

This activity will provide pharmacists and pharmacy technicians up to 1.0 contact hour. UAN JA4008231-9999-25-062-L01-P, JA4008231-9999-25-062-L01-T have been assigned to this Knowledge based program. CE credit information, based on verification of live attendance and completion of the program evaluation, will be provided to NABP within 60 days after the activity completion.

### ANCC Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 ANCC contact hour. Nursing contact hours will be awarded for successful completion of program components based upon documented attendance and completion of evaluation.
