LINC – Quality
Enhancement Plan

LINC Writers' Workshop

The 2nd annual LINC Writers' Workshop is available to all faculty and staff at UT Health San Antonio who have implemented an IPE activity in the last 3 years and would like to publish outcomes in a peer-reviewed journal. This workshop combines asynchronous and synchronous learning, pairing independent study with a live discussion featuring nationally recognized leaders in the field of IPE.

February 1 – February 23 – 5 hours of curated independent study focused on IPE publication opportunities:

- Commentaries
- Case Reports
- Quality Improvement Projects
- Scoping Reviews
- Systematic Reviews
- Hypothesis-Driven Research

February 24 – 45-minute discussion with IPE experts and journal editors:

Anthony Breitbach, PhD, ATC, FASAHP, FNAP
Professor and Vice Dean, Doisy College of Health Sciences
Saint Louis University
Associate Editor, *Journal of Interprofessional Care*
Member, LINC External Advisory Council

Tina Gualdo, PhD, DPT, MHS
Director, Center for Interprofessional Education & Collaborative Practice
Louisiana State University Health New Orleans
Co-Editor in Chief, *Health, Interprofessional Practice and Education*
Member, LINC External Advisory Council

Katie Eliot, PhD, RDN/LD, FAND
Associate Professor, Department of Nutritional Sciences, College of Allied Health
University of Oklahoma
Editorial Board Member, *Journal of Dietetics Education*

Devin Nickol, MD, FACP
Associate Dean for Interprofessional Education and Professor of Internal Medicine
University of Nebraska Medical Center
Co-Editor in Chief, *Journal of Interprofessional Education & Practice*
