Title IX (Educational Amendments of 1972) prohibits discrimination on the basis of sex in educational programs or activities receiving federal financial assistance.

Anyone participating in or attempting to participate in educational programs or activities.
“Education program or activity” under Title IX

Includes locations, events, or circumstances over which the institution exercises substantial control over both the respondent and the context in which the alleged sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by the institution.

- Example of a “building owned or controlled by a student organization”: Fraternity or sorority house that is occupied by students of the organization, and the student organization is a recognized organization with the institution.

**Definition of “Sexual Harassment” under Title IX**

Conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the institution conditioning the provision of an aid, benefit, or service of the institution on an individual’s participation in unwelcome sexual conduct (Quid Pro Quo);
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the institution’s education program or activity; or
3. “Sexual assault,” “dating violence,” “domestic violence,” or “stalking” as defined under Clery/VAWA.

*Source: Title IX Regulations (2020)*
#2 Element Examples

- **“Severe”**: Physically threatening or humiliating; effects of the alleged conduct to a reasonable person (using a “reasonable person” standard)
- **“Pervasive”**: Frequency, duration of the alleged conduct
- **“Objectively offensive”**: To a reasonable person (using a “reasonable person” standard)
- **“Reasonable person” standard**: An objective test to denote a hypothetical person who exercises average care, skill, and judgment in conduct under similar circumstances as a comparative standard.
- **“Effectively denies…equal access”**: Totality of the circumstances
  For example, the degree of the alleged conduct’s interference with the CP or effects in an educational setting, type of alleged conduct, frequency and duration of the conduct, knowingly unwelcome in nature

Definition of “Other Inappropriate Sexual Conduct”

Conduct on the basis of sex that does not meet the definition of “sexual harassment” (under the Model Policy), but is prohibited inappropriate or unprofessional sexual conduct. Such conduct is:

1. **Verbal conduct** (including through electronic means), unwanted statements of a sexual nature intentionally stated to a person or group of people, that are objectively offensive to a reasonable person and also so **severe or pervasive** that it created a Hostile Environment.

2. **Physical conduct** that is objectively offensive to a reasonable person and also so **severe or pervasive** that it created a Hostile Environment.

- Gratuitous comments about an individual's sexual activities or speculation about an individual's sexual experiences;
- Gratuitous comments, jokes, questions, anecdotes or remarks of a sexual nature about clothing or bodies;

- Exposure to sexually suggestive visual displays such as photographs, graffiti, posters, calendars or other materials;
- Deliberate, repeated humiliation or intimidation;
- Sexual exploitation;
- Unwelcome intentional touching of a sexual nature;
- Deliberate physical interference with or restriction of movement; or

First Amendment Rights: Free Speech & Academic Freedom

Constitutionally protected expression cannot be considered Sexual Misconduct (e.g. “sexual harassment,” “other inappropriate sexual conduct”) under the institution’s Sexual Misconduct policy.

The subjective offensiveness of speech, alone, is not sufficient to create a hostile environment.

Note: Neither party may be restricted from discussing allegations or from gathering evidence in a grievance process.

Summary of Party’s Rights

A Complainant and Respondent have the following rights during a grievance process:

**Information and Support**
- To be informed of and have access to counseling, medical, academic, and other applicable support services, including confidential resources.
- To be informed of the importance of a victim going to a hospital for treatment and the preservation of evidence, if applicable, as soon as practicable after an alleged incident.
- To be informed of a notice of formal complaint to the University, whether filed by a CP or the TIXC.
- To receive information and ask questions about the formal and informal processes.

**Equal Opportunity and Representation**
- To receive a prompt, fair, equitable, and impartial grievance process.
- To be given equal chance to participate in a grievance process, including the opportunity to identify witnesses and other relevant evidence and to choose not to actively participate in the grievance process, if desired.
- To have an advisor of choice present during all meetings and grievance proceedings.
- To have an advisor provided for a party at a hearing under the Title IX/SH grievance process, if an advisor of choice is not present.
- To have access and equal opportunity to inspect and review any evidence obtained as part of the investigation, and to receive a copy of the completed investigation report.
- To be equally informed of any determinations regarding responsibility, dismissals of formal complaints, and/or a party’s filing of an appeal.
- To appeal a determination regarding responsibility and/or dismissals of formal complaints.
- To file a report with local and/or campus law enforcement authorities.
Examples of Protected Speech under Title IX

- **Asking witnesses** about what they remember seeing or hearing regarding the alleged incident in question.
- Asking witnesses to **participate** in the University’s grievance process.
- Posting on social media about one’s **opinions** or **personal experiences** of sexual harassment, the University’s grievance process, or how the University handles sexual misconduct matters.
- Telling others that they are **accused** of sexual harassment, or a **victim/survivor** of sexual harassment; and they are currently going through the University’s grievance process.

Retaliation Prohibited under Title IX

No institution or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of **interfering with** any right or privilege secured by Title IX; or **because** an individual has made a report or formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing.
Definition of “Retaliation”

Any adverse action (including, but is not limited to, intimidation, threats, coercion, harassment, or discrimination) taken against someone because the individual has made a report or filed a Formal Complaint; or who has supported or provided information in connection with a report or a Formal Complaint; participated or refused to participate in a Grievance Process under this Policy; or engaged in other legally protected activities.

Note: Any person who retaliates against (a) anyone filing a report of Sexual Misconduct or Formal Complaint, (b) the parties or any other participants (including any witnesses or any University employee) in a Grievance Process relating to a Formal Complaint, (c) any person who refuses to participate in a Grievance Process, or (d) any person who under this Policy opposed any unlawful practice, is subject to disciplinary action up to and including dismissal or separation from the University.

Responsible Employee Reporting Requirements

Under the institution’s Sexual Misconduct Policy, Responsible Employees have a duty to report incidents and information reasonably believed to be sexual misconduct (prohibited conduct defined) under the Policy.

All employees are Responsible Employees (except Confidential Employees or police officers when a victim uses a pseudonym form). Responsible Employees include all administrators, faculty, and staff.

Responsible Employees must report all known information concerning an alleged incident of sexual misconduct to the Title IX Coordinator.

Source: UT System Model Policy for Sexual Misconduct
Definition of “Failure to Report” for Responsible Employees

If a Responsible Employee knowingly fails to report all information concerning an incident the employee reasonably believes constitutes Sexual Misconduct (including stalking, dating violence, sexual assault, or sexual harassment) committed by or against a student or employee at the time of the incident, the employee is subject to disciplinary action, including termination.

Examples of Supportive Measures

- Non-Disciplinary & Non-Punitive Measures…
  - that do not unreasonably burden the other party

Emergency Removals

1. **Individualized safety & risk analysis**: Determines that immediate threat to the physical health & safety of any student or other individual arising from the allegations justifies the respondent’s removal from the education program or activity.
   - Notice & opportunity to challenge the decision immediately following the removal.
   - Rights under **ADA & Section 504** still apply.
2. **Doesn’t preclude** an institution from placing non-student employee respondents on **administrative leave** during the pendency of the grievance process.

Source: Title IX Regulations (2020)

Mandatory Dismissals are required when the definitional or any element of the jurisdictional framework under Title IX is not met.
Dismissing a Formal Complaint under Title IX doesn’t preclude an institution from addressing conduct prohibited under an institution’s policy through a fair and equitable grievance process…

*Source: Title IX Regulations (2020)*

Under Title IX regulations, universities are required to distinguish between prohibited conduct that is “under Title IX” and prohibited conduct that is a violation of university policy. Under Title IX, the University must dismiss a Formal Complaint or the part of the allegations in a Formal Complaint, if applicable, where:

**Sexual Harassment** is alleged and where:
- The conduct alleged does not meet the definition of Sexual Harassment;
- The alleged conduct did not occur in the University’s education program or activity; or
- The alleged conduct did not occur against a person in the United States.

**Note:** A dismissal under this provision only applies to allegations of Sexual Harassment under Title IX. In such an instance, the University may still investigate a Formal Complaint for allegations of Sexual Harassment under this Policy. The University may also investigate allegations of prohibited conduct under this Policy but it will not technically be “under Title IX.”

*Source: UT System Model Policy for Sexual Misconduct*
If **Mandatory Dismissal** is required, then are additional **discretionary reasons** for a dismissal applicable to the specific circumstances?

- CP expressly **prefers to dismiss** the formal complaint or requests to not investigate the matter.
- RP was an employee and is **no longer employed** by the institution at the time the formal complaint is filed.
- Any **specific circumstances** that prevent the institution from gathering evidence sufficient to reach a determination as to the formal complaint or allegations.
- The conduct alleged does not meet the definition of any prohibited conduct under the institution’s Sexual Misconduct Policy.

**Additional Considerations**

---

**Triage Again**

Consider if there are compelling reasons:

1. The **nature, circumstances, & seriousness** of the alleged conduct;
2. The **safety & risk of harm**, to others;
3. Any **pattern evidence**, other similar conduct or allegations of the RP;
4. **RP’s affiliation** with the institution & **applicable options** for institutional action; and/or
5. Other relevant factors in the specific matter?
Notice of Formal Complaint Dismissal

1. Note the reasons for the mandatory dismissal “under Title IX” (if applicable).

2. Explain the basis/rationale for the following:
   - Additional discretionary reason(s) for dismissing the formal complaint under the institution’s policy and closing the case; or
   - Additional compelling reason(s) for continuing a grievance process under the institution’s policy (e.g. the allegations still apply to the policy).

3. Option to Appeal the F.C. Dismissal

4. Outline next steps in the process (if applicable) or note the conclusion/end of the process with this formal complaint dismissal.
