

COMMISSION ON ACCREDITATION
FOR RESPIRATORY CARE

November 27, 2017

William Henrich, MD, President
Respiratory Care Program
University of Texas Health Science Center
7703 Floyd Curl Dr, MSC 6249
San Antonio, TX 78229

RE: Program Number 200422

Dear Dr. Henrich:

At its November 2017 meeting, the Commission on Accreditation for Respiratory Care (CoARC) voted to confer **Continuing Accreditation** to the MS Degree Entry into Respiratory Care Professional Practice Program at University of Texas Health Science Center.

The recent accreditation review conducted by CoARC recognizes the Program's compliance with the nationally established accreditation Standards. The next comprehensive evaluation of the Program, including an on-site review, is scheduled to occur no later than **2027**.

In addition to the comprehensive evaluation, CoARC regularly monitors the Program's compliance with established outcomes assessment thresholds (Standard 3.09) through the Annual Report of Current Status submitted annually by the Program as well as other documentation that may be requested. The next Annual Report of Current Status is due by July 1, 2018.

The Commission commends you and your colleagues for your commitment to continuous quality improvement in education, as demonstrated by your participation in programmatic accreditation.

Sincerely,

Thomas R. Smalling, PhD, RRT, RPFT, RPSGT, FAARC
Executive Director

cc: David Shelledy, PhD, RRT, Dean
Richard Wettstein, MEd, RRT, Program Director
Tom Hill, PhD, RRT, FAARC, Referee (Emailed)

COMMISSION ON ACCREDITATION
FOR RESPIRATORY CARE

July 21, 2023

William Henrich, MD, President
Respiratory Care Program
University of Texas Health Science Center
7703 Floyd Curl Dr
MSC 6248
San Antonio, TX 78229

RE: Program Number 210422

Dear Dr. Henrich:

At its July 2023 meeting, the Commission on Accreditation for Respiratory Care (CoARC) voted to affirm **Continuing Accreditation** to the BS Degree Entry into Respiratory Care Professional Practice Program at University of Texas Health Science Ctr.

The recent accreditation review conducted by CoARC recognizes the Program's compliance with the nationally established accreditation Standards. The next comprehensive evaluation of the Program, including an on-site review, is scheduled to occur no later than **2028**.

In addition to the comprehensive evaluation, CoARC regularly monitors the Program's compliance with established outcomes assessment thresholds (Standard 3.07) through the Report of Current Status submitted annually by the Program as well as other documentation that may be requested. Please note that the 2023 Annual Report of Current Status (based on 2021-22-23 outcomes data) will be due by **July 1, 2024**.

The Commission commends you and your colleagues for your commitment to continuous quality improvement in education, as demonstrated by your participation in programmatic accreditation.

Sincerely,

Thomas R. Smalling, PhD, RRT, RRT-SDS, RPFT, RPSGT, FAARC
Chief Executive Officer
